[more information](#)

Applying for honours

Honours is available to meritorious students who complete an alternative set of units of study in Semester 2 of Year 3 and Semester 2 of Year 4. Admission to the honours program is by permission of the program coordinator after the completion of Semester 1 of Year 3. Admission and award requirements for honours in the Bachelor of Education (Early Childhood) are set out in the Resolutions of the Sydney School of Education and Social Work.

[View the faculty handbook](#)

Admission criteria

Admission to this course is on the basis of the following criteria:

- a [secondary education qualification](#) such as the NSW Higher School Certificate (including national and international equivalents), or [approved higher education study](#), including approved preparation courses.
- [English language requirements](#) where these are not demonstrated by sufficient qualifications taught in English.

Admission pathways are open to domestic applicants on the basis of equity or other adjustment factors, including for Aboriginal and Torres Strait Islander applicants. For details, visit [admission pathways](#).

Inherent requirements for programs in early-childhood education

To assist students to make informed choices about their study, the Sydney School of Education and Social Work has identified inherent requirements for coursework-award courses in Early Childhood Education. In order to successfully complete such a course, students [must possess these qualities and skills](#) (PDF).

Course opportunities

The Bachelor of Education (Early Childhood) includes significant professional experience placements in early childhood settings. The placements begin in the second year of the course and the amount of responsibility and duration of the placements progressively increases until the final placement in which students are competent to teach under minimal supervision.

Professional accreditation

The Bachelor of Education (Early Childhood) is listed under the Australian Children's Education and Care Quality Authority (ACECQA) approved qualification list.

Careers & future study

Career information for UAC

Examples include teaching in a range of early childhood (0-5) settings. Early childhood is a high priority for both Commonwealth and state governments in Australia. Qualified early childhood teachers are in high demand.

Future study options

Eligible candidates may apply for admission to a rich postgraduate program with the Sydney School of Education and Social Work comprising advanced learning and professional courses. Master's degrees include capstone independent research projects, supervised by experts in the field of study, which prepare students for higher degrees by research.

Career Pathways

- preschool teacher
- early learning centre teacher
- childhood educator
- educational administrator

The Sydney Experience

[The Sydney Undergraduate Experience](#)

Important fee information

Domestic students

Indicative Undergraduate Student Contribution Amount

The student contribution amount for a Commonwealth Supported Place is an indication only of the amount payable in Year 1 for a standard full time load of 48 credit points (1.0 EFTSL). The exact student contribution that you pay will depend on the calendar year in which you undertake your study in the course, and the specific units of study in which you enrol. For further information about how to calculate your specific total student contribution, please refer to the University's [Tuition Fees website](#).

Annual review and fee increases

Importantly, student contribution amounts are subject to annual review by the University, and will increase each year of your period of study (subject to a Commonwealth specified cap), effective at the start of each calendar year.

Additional incidental costs

Please note that for some courses there are additional costs in addition to the student contribution. Some of these additional costs are significant, for example, course-specific materials, tools, protective clothing, and equipment. Please consult the University's web page for more information: <https://sydney.edu.au/students/materials-and-equipment.html>.

Visa/MasterCard/American Express/JCB surcharge

Please note that a surcharge of 1.53% will apply for payments made by Visa, MasterCard, American Express or JCB. The surcharge is subject to review and may change. Information about payment methods and the surcharge is set out at: <http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/saving-your-fees.html>.

Potential for inaccuracy

Whilst every reasonable effort has been made to include correct and up to date information here, you are also advised to consult directly with the Student Centre so that they can provide you with specific and up to date information about fees.

International students

Indicative International Tuition Fees for Undergraduate Students

The tuition fee for international undergraduate students is an indication of the fees payable in Year 1 for a standard full time load of 48 credit points (1.0 EFTSL). Depending on the calendar year in which you undertake your study, and if your study load is more or less than the 1.0 EFTSL, your tuition fee will differ from the indicative amount. For further information about how to calculate your specific total tuition fees, please refer to the University's [Tuition Fees website](#).

Annual review and fee increases

Importantly, tuition fees are subject to annual review, and will increase each year of your period of study, effective at the start of each calendar year.

Additional incidental costs and health insurance

For some courses there are incidental costs additional to the tuition fees. Some of these incidental costs are significant, for example, course-specific materials, tools, protective clothing, and equipment. Further information about these costs is available from <https://sydney.edu.au/students/materials-and-equipment.html>. In addition to the fees indicated here for the course of study, International Students studying on an Australian Student Visa must have appropriate health insurance for the duration of their studies on a Student Visa through a government approved provider of the Overseas Student Health Cover (OSHC) scheme. This is a requirement of the Australian Government, unless otherwise exempted by the Government. Further information is available from <https://sydney.edu.au/study/finances-fees-costs/health-costs/health-insurance.html>.

Visa/MasterCard/American Express/JCB surcharge

Please note that a surcharge of 1.53% will apply for payments made by Visa, MasterCard, American Express or JCB. The surcharge is subject to review and may change. Information about payment methods and the surcharge is set out at: <http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/saving-your-fees.html>.

Potential for inaccuracy

Whilst every reasonable effort has been made to include correct and up to date information here, you are also advised to consult directly with the [Student Centre](#) so that they can provide you with specific and up to date information about fees.

Admission and award requirements for Honours in the Bachelor of Education (Health and Physical Education) are set out in the Resolutions of the Sydney School of Education and Social Work.

View the faculty handbook

Admission criteria

Admission to this course is on the basis of the following criteria:

- a [secondary education qualification](#) such as the NSW Higher School Certificate (including national and international equivalents), or [approved higher education study](#), including approved preparation courses.
- Applicants to all undergraduate education degrees (except Early Childhood) will be required to complete a brief personal statement. For more information, visit our [personal statements FAQ page](#).
- [English language requirements](#) where these are not demonstrated by sufficient qualifications taught in English.

Admission pathways are open to domestic applicants on the basis of equity or other adjustment factors, including for Aboriginal and Torres Strait Islander applicants. For details, visit [admission pathways](#).

Prerequisites

Students entering teaching programs will need to have achieved a minimum of three Band 5s in their NSW Higher School Certificate, one of which must be English (not ESL). Similar requirements will be applied to the IB and other Australian Year 12 qualifications. For other secondary qualifications applicants will need to achieve the minimum scores provided as a guide as well as achieve good results in English (not ESL). Applicants who must meet English proficiency requirements through an English proficiency test such as IELTS must meet these requirements separately. Applicants must also meet any additional requirements as set by regulatory bodies or accrediting agencies.

Prerequisites for NSW Education Standards Authority (NESA)
To be admitted into this teaching area the following prerequisites have been determined by [NSW Education Standards Authority \(NESA\)](#):

- A major in personal development and/or health studies (with a socio-cultural perspective) and/or physical education with at least three units of study in health education including mental health, sexual health, relationships, drug education, child protection education, gender studies and risk taking behaviour AND
- at least three units of study in physical education including contemporary physical activities, dance, gymnastics, games and sport. Vocationally oriented courses, coaching certificates, umpiring/refereeing accreditation in sports and physical activities are not recognised as equivalent.

Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE)
The requirement to complete the LANTITE applies to all students enrolled in the BEd (Primary), BEd (Health and PE), BEd (Secondary) Humanities and Social Sciences/BA, BEd (Secondary) Maths/BS, BEd (Secondary) Science/BS, and all Master of Teaching programs **except** MTeach (Early Childhood).

Information about LANTITE for students commencing their studies in 2017 and beyond will be required to have successfully completed testing as follows: All BEd students commencing their studies in 2017 and beyond will be expected to sit and pass the test **within the first two years of candidature**.

[Register to Take the LANTITE](#)

Inherent requirements for education programs
To assist students to make informed choices about their study, the Sydney School of Education and Social Work has identified inherent requirements for coursework-award courses. In order to successfully complete such a course, students **must** [possess these qualities and skills](#) (QPS).

Course opportunities

The Bachelor of Education (Health and Physical Education) includes significant professional experience placements in schools. The placements begin in the first year of the course and the amount of responsibility and duration of the placements progressively increases until the final placement in which students are competent to teach under minimal supervision.

In all four years of the course you will be given practical opportunities to work in educational, sport and health communities.

Professional accreditation

Sydney undergraduate Education courses are accredited by the NSW Education Standards Authority (NESA)

Careers & future study

Career Pathways

- PDHPE teacher
- development manager

What you'll study

Units of Study

→

Completion requirement

Under normal progression, a full-time student completes prescribed units of study to the value of 24 credit points per semester. Part-time students may undertake prescribed units of study up to the value of 12 credit points per semester. You are required to attend all lectures, tutorials and other activities prescribed for your units of study.

Sample study plan

Bachelor of Education (Secondary Education: Science) and Bachelor of Science

Year	Sem	Unit ...
------	-----	----------

[more information](#)

Any two units of English (not English as a Second Language) with a minimum Band 5, and Band 5 in two other HSC subjects. For Bachelor of Science: Mathematics or HSC Mathematics Extension 1. Other assumed knowledge depends on the areas or units studied.

Applying for honours

Honours is available to meritorious students, in either Education or Bachelor of Science. Honours in Education requires the completion of an alternative 12 credit-point honours pathway described in the Bachelor of Education (Secondary: Science) table of units. Completion of the degree is required in the minimum standard full-time duration.

View the faculty handbook

Admission criteria

Admission to this course is on the basis of the following criteria:

- a [secondary education qualification](#), such as the NSW Higher School Certificate (including national and international equivalents), or [approved higher education study](#), including approved preparation courses.
- Applicants to all undergraduate education degrees (except Early Childhood) will be required to complete a brief personal statement. For more information, visit our [personal statement FAQ page](#).
- [English language requirements](#) where these are not demonstrated by sufficient qualification taught in English.

[Admission pathways](#) are open to domestic applicants on the basis of equity or other adjustment factors, including for Aboriginal and Torres Strait Islander applicants. For details, visit [admission pathways](#).

Prerequisites

Mathematics Equivalent of band 4 in the NSW HSC subject Mathematics* or band E3 in Mathematics Extension 1 or 2) from 2019. If you are completing a senior secondary (year 12) qualification in Australia. For details including equivalent requirements for other qualifications, visit [Mathematics course prerequisites](#).

**The subject requirement refers to Mathematics (not Mathematics General or Mathematics Standard), or Mathematics Advanced which will be first examined in the NSW HSC in 2020.*

Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) The requirement to complete the LANTITE applies to all students enrolled in the BEd (Primary), BEd (Health and PE), BEd (Secondary-Humanities and Social Sciences)/BA, BEd (Secondary: Maths)/BSc, BEd (Secondary: Science)/BSc; and all Master of Teaching programs, **except** MTeach (Early Childhood).

Information about LANTITE for students commencing their studies in 2017 and beyond will be required to have successfully completed testing as follows: All BEd students commencing their studies in 2017 and beyond will be expected to sit and pass the test **within the first two years of candidature**.

[Register to take the LANTITE](#)

For information about teacher-accreditation requirements in NSW, including the testing, visit the [NSW Education Standards Authority \(NESA\)](#).

Inherent requirements for programs in secondary education

To assist students to make informed choices about their study, the Sydney School of Education and Social Work has identified inherent requirements for coursework-award courses in Secondary Education. In order to successfully complete such a course, students **must** [complete these qualities and skills](#) (PDF).

Course opportunities

The Bachelor of Education (Secondary Education: Science) and Bachelor of Science combined course includes significant professional experience placements in schools. The placements begin in the third year of the course and the amount of responsibility and duration of the placements progressively increases until the final placement, in which students are competent to teach under minimal supervision.

Professional accreditation

Our undergraduate Education courses are accredited by the NSW Education Standards Authority (NESA).

Careers & future study

Career Pathways

- Science or mathematics teacher
- curriculum consultant
- educational researcher
- corporate trainer.

Future study options

Eligible candidates may apply for admission to a rich postgraduate program with the Sydney School of Education and Social Work comprising advanced learning and professional courses. Master's degrees include capstone independent research projects, supervised by experts in the field of study, which prepare students for higher degrees by research.

Important fee information

Domestic students

Indicative Undergraduate Student Contribution Amount

The student contribution amount for a Commonwealth Supported Place is an indication only of the amount payable in Year 1 for a standard full-time load of 48 credit points (1.0 EFTSL). The exact student contribution that you pay will depend on the calendar year in which you undertake your study in the course, and the specific units of study in which you enrol. For further information about how to calculate your specific total student contribution, please refer to the University's [Tuition Fees website](#).

Annual review and fee increases

Importantly, student contribution amounts are subject to annual review by the University, and will increase each year of your period of study (subject to a Commonwealth specified cap), effective at the start of each calendar year.

Additional incidental costs

Please note that for some courses there are additional costs in addition to the student contribution. Some of these additional costs are significant, for example, course-specific materials, tools, protective clothing, and equipment. Please consult the University's web page for more information: <https://sydney.edu.au/students/materials-and-equipment.html>.

Visa/MasterCard/American Express/JCB surcharge

Please note that a surcharge of 1.53% will apply for payments made by Visa, MasterCard, American Express or JCB. The surcharge is subject to review and may change. Information about payment methods and the surcharge is set out at: <http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/levying-your-fees.html>.

Potential for inaccuracy

Whilst every reasonable effort has been made to include correct and up to date information here, you are also advised to consult directly with the Student Centre so that they can provide you with specific and up to date information about fees.

International students

Indicative International Tuition Fees for Undergraduate Students

The tuition fee for international undergraduate students is an indication of the fees payable in Year 1 for a standard full-time load of 48 credit points (1.0 EFTSL). Depending on the calendar year in which you undertake your study, and if your study load is more or less than the 1.0 EFTSL, your tuition fee will differ from the indicative amount. For further information about how to calculate your specific total tuition fees, please refer to the University's [Tuition Fees website](#).

Annual review and fee increases

Importantly, tuition fees are subject to annual review, and will increase each year of your period of study, effective at the start of each calendar year.

Combined undergraduate degree tuition fees

For international students, for combined undergraduate degrees, a single indicative course tuition fee applies for the duration of your study in the combined degree, regardless of the units of study that are undertaken as part of your combined degree. Importantly, the single indicative course tuition fee is subject to annual review, and will increase each year of your study in the combined degree.

Additional incidental costs and health insurance

For some courses there are incidental costs additional to the tuition fees. Some of these incidental costs are significant, for example, course-specific materials, tools, protective clothing, and equipment. Further information about these costs is available from <https://sydney.edu.au/students/materials-and-equipment.html>. In addition to the fees indicated here for the course of study, international Students studying on an Australian Student Visa must have appropriate health insurance for the duration of their studies on a Student Visa through a government approved provider of the Overseas Student Health Cover (OSHC) scheme. This is a requirement of the Australian Government, unless otherwise exempted by the Government. Further information is available from <https://sydney.edu.au/study/finances-fees-costs/living-costs/health-insurance.html>.

Visa/MasterCard/American Express/JCB surcharge

Please note that a surcharge of 1.53% will apply for payments made by Visa, MasterCard, American Express or JCB. The surcharge is subject to review and may change. Information about payment methods and the surcharge is set out at: <http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/levying-your-fees.html>.

Potential for inaccuracy

Whilst every reasonable effort has been made to include correct and up to date information here, you are also advised to consult directly with the [Student Centre](#) so that they can provide you with specific and up to date information about fees.
